

**KATTO: PANISHATH
PART- 5**

Father ! Give me too... to somebody as charity

Uddalaka didn't care his boy's words.

Father ! Give me also to somebody please ..!

Uddalaka ignored the words of the boy giving away all the things in Charity...

Father ! Give me too in charity, I will be useful to somebody...

As the boy said again and again sage got angry.

What's this? I'll give you to Yama... Go...

Oh.. What's nonsense?
Does the sage mean that his own son die?

Very bad.. can he speak so?

..That too during Yagna time !!

Oh.. What should I do after going to Yama? How will I be useful to him??

Nachikethas didn't mind his father's anger. He tried to think and analyse the words his father spoke...

Hey Nachiketha!
What are you thinking?

I am going to Yama...!

Why so ?

My father gave me to Yama..
