

PAIN'T THIS THIRUMANGAI A:LWA:R

Thirumangai A:lwa:r lived exclusively on alms for himself. He robbed the luxuries, wealth from the non-devotees of God and fed everyday atleast 1,000 poor people, devotees, with delicious food. Thus, he did for one year to win his promise with wife. He later continued this feeding. He was blessed by Lord, actualised Him and sang wonderful songs on the grace of Lord Narayana ! He proved that serving devotees without offending even a single devotee of God is greater than serving God Himself.
